
Factory

Factory Location Information

Factory Name: CyberTech Solutions Facility

Location: District 8, Sector 5, NeoCity

Overview: The CyberTech Solutions Facility is the primary production factory for all hardware devices and custom silicon chips used by The Fray. Situated in District 8 of Sector 5 in NeoCity, the facility plays a critical role in manufacturing sensors, drones, and various equipment utilized in The Fray's operations.

Facility Features

- State-of-the-art manufacturing equipment
- Research and development laboratories
- Quality control testing areas
- Secure server rooms
- Administrative offices

Security Measures

- RFID-controlled access points
- Video surveillance systems
- Motion sensors
- 24/7 security personnel
- Encrypted data transmission protocols

Special Note: Access to the factory is restricted to authorized personnel only. Any unauthorized access or attempt to breach security protocols will result in immediate action by security personnel.
